

APPLICATION/PERMIT TO OPERATE A CANTEEN WITHIN THE CONSTRUCTION SITE

TO: LGVHAI

Application is hereby submitted to operate a canteen to serve only contractors/homeowners and construction workers at Lot___ Blk.____ Street/Address _____
Phase_____ from _____ to _____ (maximum of six (6) months/extendable)

I agree to be bound by the LGVHAI rules and regulations on canteen operations.

1. The permit is valid only on the days indicated;
2. No liquor or hard drinks including beer should be sold or consumed within the premises;
3. The contractor/homeowner should be fully responsible for the construction workers, personnel, operations, maintenance and up-keeping of the canteen at all times.
4. The canteen facilities should be presentable and clean. Made only of temporary structures and immediately demolished upon completion of the construction project.
5. All canteen structures should have **NO OPENING** facing the street level or the wall of the adjoining property/ies. Violations on the part of the canteen concessionaire and contractor will be sufficient ground for the cancellation of the canteen permit.
6. Canteens should be located at the farthest end of the street within the construction site. Delivery of food outside the premises of the construction is not allowed.
7. Payment of P1, 000.00 for the permit fee is required. All penalties for violation are deductible from the contractor's cash bond deposit. The cash bond is refundable net of any penalty due, after the completion of the construction including demolition of all temporary structures and other facilities as well as the proper cleaning of the premises.
8. LGVHAI reserves the right to impose additional conditions, where warranted.
